Last? by John M. Gottman, Nan Silver ... A last is often a  
wooden form made to the shape of a client's foot  
though it is also the foot shaped anvil on which the  
shoes are made. Something that is made to last is  
therefore becomes made to a pattern, so it isn't  
durability but reliability that becomes the watchword.

one's best friend, and with one in their hand they  
become oblivious to the world. While With  
advancement in technology we are slowly doing away  
with the need of a paperback and entering the world of  
eBooks. Yes, many may argue on the tradition of  
reading books made of paper, the real feel of it or the  
unusual smell of the books that make us nostalgic, but  
the fact is that with the evolution of eBooks we are also  
saving some trees.
