(Embrace it. The Honest Toddler: The Definitive Guide To Successful ... To a 2-year-old, the line between truth and falsehood is a fuzzy one. Until she's 3 or 4, your child won't be capable of grasping the concept of truth - something that's backed up by facts - and so she won't understand lying either. While she can be held responsible for her behavior, she can't really be held responsible for lying about it since she doesn't understand what lying is. The

honest child: How to teach honesty
| BabyCenter says Jane Nelsen.

"Most punishment comes out of anger - and then we've taken the child totally out of any learning mode, because now she's feeling defensive or afraid." Set a good example. The best way to teach honesty is to be honest. Avoid lying to your kindergartner, even about difficult subjects such as illness, death, or divorce. The honest child: How to teach honesty (age 5) | BabyCenter The major Canadian production facility for Quaker Oats is located in Peterborough, Ontario. The factory was first established as the American Cereal Company in 1902 on the shores of the Otonabee River during that city's period of industrialization. At the time, the city was known as
